

SESSIONS WITH A BIG SIDE OF FUN!

No sessions are complete without a bit of fun!

Our Fun & Games sessions are designed to bring laughter, teamwork, and friendly competition to the group while reinforcing important life skills.

These activities not only help us bond, but also teach valuable lessons in communication, problem-solving, and collaboration.

Team Challenges: Engaging group activities like scavenger hunts, relay races, and obstacle courses that promote teamwork and creativity.

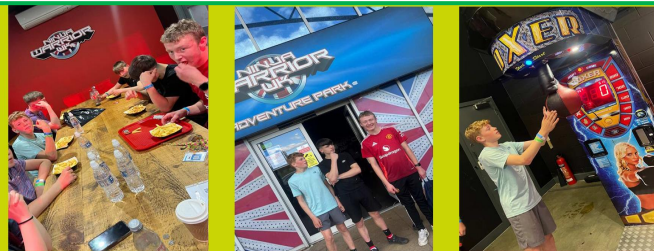

Board & Card Games: Fun, strategic games that encourage critical thinking, patience, and social interaction.

Outdoor Games: Whether it's soccer, capture the flag, or a game of giant Jenga, these activities help us stay active while fostering a sense of fun and camaraderie.

EXTERNAL TRIPS LIKE NINJA WARRIOR

We host a variety of trips as a way to reward young people for their positive behaviour and engagement. These trips are carefully planned to be fun, meaningful, and memorable—ranging from outdoor adventure days and theme park visits to cultural experiences and team-building activities. By offering these opportunities, we aim to recognise and celebrate the efforts of young people who choose to stay on the right path, helping to build their confidence, strengthen relationships, and encourage continued positive choices in their communities.

ANTI-SOCIAL BEHAVIOUR (ASB)

Our program always encourages accountability and reflection. We work with local partners to help young people understand the impact of their actions and celebrate positive behavior through recognition & rewards. To positively reinforce good choices and discourage anti-social behavior (ASB), we reward young people with engaging experiences that they genuinely look forward to. One of the most popular incentives are from the Scran Van, this brings delicious food and a fun, social atmosphere right to their doorstep the young people absolutely love it. In addition, we organize exciting trips—such as outdoor adventures, or cultural outings—as a way to celebrate their commitment to staying on the right path. These rewards not only acknowledge their efforts but also build trust, strengthen relationships, and create lasting memories that motivate continued positive behavior.

COMMUNITY SUPPORT IN ACTION

We're proud to have the support of our local police, who call in every other week to assist and engage with our young people. Their presence helps build trust and positive relationships, and they often take part in activities.

This partnership not only strengthens community ties but also provides young people with role models and a sense of safety and inclusion.

"The voices of parents"

"As a parent, I can't speak highly enough about the positive impact Inspire Youth Zone has had on my son. Since he started attending, I've seen a real positive change in him - he's more confident, sociable, and genuinely happy."

He has always been somewhat shy and unsure of himself in group settings but now, he looks forward to every session. He loves taking part in all the activities and spending time with his friends. It's become a place where he feels safe and included, and valued.

The club has helped him build strong social skills and learn how to work with others outside of school, and to have this in the village is amazing.

I'm incredibly grateful to the staff and volunteers who make this possible. Their dedication and care have created a space that supports not just fun and friendship, but real personal growth."

Inspire Youth Zone has had a profoundly positive impact on both Jordan and Evie. The group provides a safe and welcoming environment where they can meet other young people, build meaningful friendships, and take part in fun and engaging activities. Being part of the group has helped them develop confidence, social skills, and a sense of belonging. They enjoy the opportunities to collaborate with others, share experiences, and support one another, creating a strong feeling of community and safety that benefits their overall wellbeing and personal growth.

THANK YOU!

THANK YOU TO OUR STEERING GROUP
WE WOULD LIKE TO EXPRESS OUR SINCERE GRATITUDE TO OUR STEERING GROUP FOR THEIR INVALUABLE SUPPORT, GUIDANCE, AND FUNDING. WITHOUT YOUR COLLECTIVE EFFORTS, WE WOULDN'T BE ABLE TO BUILD THE STRONG FOUNDATION THAT ALLOWS YOUNG PEOPLE TO MEET, LEARN, AND THRIVE. YOUR COMMITMENT HELPS US CREATE SAFE, INSPIRING SPACES AND OPPORTUNITIES THAT TRULY MAKE A DIFFERENCE. MOST IMPORTANTLY, IT IS THANKS TO EACH AND EVERY ONE OF YOU THAT WE ARE ABLE TO KEEP THE GROUP SUSTAINABLE AND CONTINUE DELIVERING MEANINGFUL IMPACT IN OUR COMMUNITY.
