The 2022 Citizen Awards & Young Citizen Awards.

The Council recognises the achievements of individual residents of the village by awarding Citizen Awards and the Stephen Higgins Young Citizen Award. If you know of an Adult or young person (under the age of 18) who has done something special or regularly contributes positively to village life, please contact the clerk with your nomination. Please note the council cannot accept nominations from family members. – **Applications to the Town Clerk by 3rd April 2022**

YOU SAID WE DID.....

You said ... the train service is irregular, and the replacement bus service is not satisfactory.

We have liaised with Blackrod Council who share our concerns, and have taken advice from local experts, and we have written to the authorities making the point that if the Government is serious about the 'green agenda' they must support the train services to get people out of cars and back onto trains.

You said ... We loved the lit Christmas trees on the local shops please can we repeat this again .

We approached all our local businesses and received a good response with over 40 businesses taking part. We subsidised the installation of the trees, but we must thank all the local businesses who helped cheer up the village this year.

You said ... We need some help with funding to deliver our services to the village.

We are once again this year made awards from our Community Grant Fund to the following:

- £100 to the Luncheon Club towards the Jubilee Lunch.
- £880 to Freestyle Urban Soccer to fund 8 free soccer and skatepark session for our young residents.
- £825 to the Rivington & Adlington Band towards new equipment

Clean Up Day

Windsor Avenue car park,
near the Park Road junction

Saturday 26th March 9am – 12pm

Adlington Town Council supported by Chorley Council are holding a community clean-up day

to allow residents to dispose of their unwanted household items in a skip located on the car park on Windsor Ave.

Chorley Council offers a collection service where assistance is essential for the elderly, people with disability, or the vulnerable to transport items to the skip. Please use the contact below to discuss your support needs by 23 March 2022

Any trade waste or hazardous materials cannot be disposed of in the skip.

In January 2021, the **Boundary Commission for England (BCE)** announced the start of our review of the Parliamentary constituencies in England.

We have been astounded at the proposals to take Adlington & Anderton ward out of Chorley constituency and move us to the West Pennine Moors County Constituency.

Adlington has no links whatsoever with Darwen and that area of East Lancashire. The road route from Adlington to Darwen is poor - There are no rail links and public transport would involve a minimum of 3 busses and take well over 1 1/2 hours. Visiting the MP's Constituency office or surgery would be nigh on impossible.

The Commission highlights the importance of strong community links. Adlington have no links with Darwen and East Lancashire. Demographically they are poles apart. The villages identify with Chorley and have strong community links, maintaining good links with the MP and his office is vital as he has excellent local knowledge.

We are urging the Commission to look again at this flawed proposal which goes against many of its own principles and leave Adlington in the Chorley Constituency where it so obviously belongs.

The second consultation has now begun, and it is important that you **have your say**, even if you have commented before- see the details here. <https://www.bcereviews.org.uk/node/6487?postcode>
