Meet your new Town Mayor

Beverley Speers

It was a great honour to take over the role of Adlington Town Mayor in this special Jubilee year.

I have already met many of you during my visits to all four schools in the district and all the events we attended during the Jubilee celebrations, and I look forward to meeting many more of you throughout the year.

My theme for this coming year is Community Spirit - Adlington displayed great community spirit during the difficult two years of the pandemic and again in the happier Jubilee events.

I hope together we can build on this across all age groups during my time as Town Mayor.

We are proud to present Adlington Town Council Community Award winners 2022

Janet & Michael Jackson – caring for the environment

Olivia Broome – Inspirational achievements in the sporting world

June Makinson – Services to the young and to the Friends Together Group

Elouisa Porter – (The Stephen Higgins Young Citizen Award) – caring for the environment.

YOU SAID WE DID.....

You said ... The litter in the village and on the playing fields is spoiling our village and endangering the environment.
We want you to know that our Anti-Litter Campaign has begun.

You said ... We are worried about the planning for a new store and the effect on the road junctions and also the residents right of access to their properties.

We organised an open meeting with the supermarket planning team and made it an open forum so residents could attend and speak. We have raised your concerns and we will be monitoring the ongoing planning process.

Heath Charnock Women's Institute

Meet on the 2nd Wednesday of every month
at 7.30 pm in

Chorley
Council

What is the Handyperson Service?

Many people need a little help with essential
home maintenance. That's why Chorley Council
has teamed up with Preston Care and Repair to
provide assistance for Chorley residents who
would otherwise struggle to carry out small repairs
or 'DIY' jobs.

The Handyperson Service is delivered by
experienced, multi-skilled tradespeople who have
all been DBS (Disclosure and Barring Service)
checked and carry ID cards for your peace of mind.

What can they do?

Examples of typical Handyperson jobs include:

- Changing light bulbs
- Fitting curtain rails and hanging curtains
- Repairing fixtures and fittings
- Replacing failed tap washers
- Raising or lowering chairs or beds,
or moving furniture
- Assembling flat pack furniture
- Removing trip/fall hazards such as loose
floor coverings
- Making small repairs to windows or doors
- Replacing gates or doors
- Cutting back obstructive shrubs or bushes
- Power-washing an access path

- Improving home security
- Installing energy efficiency measures
- ... and many other jobs that could be
classified as DIY – just give us a call and ask.

What won't they do?

The Handyperson technicians cannot provide
electrical or gas services, or repair household
appliances.

Who can use the service?

The Handyperson Service is available to Chorley
residents aged 18+ who are owner-occupiers/
private renters...

AND

...have a disability which directly affects their
mobility or independence to stay safe in their
home

OR

... there is an imminent/major risk of the person
having an unscheduled admission to hospital
without intervention

OR

... the service is needed to facilitate a discharge
from hospital where it would not be deemed safe
for them to return without intervention.

How much does it cost?

The Handyperson Service is free for residents who
meet the eligibility criteria. Service users are only
required to pay for any materials that are needed
to carry out the requested work. There is no charge
for labour.
